

CONGRATULATIONS! The photographs contained on your 8th grade keepsake disk are owned by Julie Walton Shaver Photography LLC unless otherwise noted. (Six Flags photos were taken by YOU!) Julie's photos may not be sold, published commercially or entered into competition without the specific written permission from Julie Walton Shaver Photography. Images are not to be flopped or artistically manipulated, other than for specific printer color correction.

SLIDE SHOW INSTRUCTIONS Open the folder called "Slide Shows." Open the specific slide show folder you would like to view, such as "Seussical" or "Inauguration Day." Click (or double click) "play.html." Turn up the sound. The slide show will play through your browser. On a PC, you may need to "run" the program. Slide show images are not sized for printing. PLEASE DO NOT PRINT IMAGES CONTAINED IN SLIDE SHOW FOLDERS.

PRINTING IMAGES To Print Images at Your Lab Many labs will not allow you to purchase professional photographer's images without this document! Print this out and take it with you. To fit as many images as possible on your keepsake disk, all images have been sized to 4x6. Please do not print images larger than 4x6. Images contained on this disk have already been color-corrected to Julie's professional photographic lab. If you print images at a store like Wal-mart, Costco, Target, Walgreens, etc, please note that all color correction choices at your lab must be turned OFF. Color reproduction at these labs can not be guaranteed.

Online Ordering Julie recommends www.MPIX.com as the best online ordering site. Again, the images on your disk are sized to 4x6. Do not print larger. It will look bad! The color-matching at MPIX usually matches Julie's toning of the images. Do not send images from the slide show folder!

The bearer of this note has permission from Julie Walton Shaver Photography LLC to make 4x6 prints at the lab of his or her choice. **TURN ALL AUTOMATIC COLOR CORRECTION OFF.**

LOTS MORE IMAGES ARE AVAILABLE! You may download folders of all Julie's 8th grade images at full resolution (to print larger than 4x6) for free, including Julie's images from graduation! You may also order professional-quality prints from Julie's lab with proceeds from sales being donated to MHS art programs. Julie plans to make a slide show with music of images from the Homeroom Cup, the dance and graduation. Bookmark this page for information about image availability, slide show links, online ordering, and more:
